IN ADVANCE OF INTERNATIONAL HUMAN RIGHTS DAY, 
JOIN US FOR VOICES OF SOLIDARITY.

Voices of Solidarity is a presentation of the Vital Voices Solidarity Award to four remarkable men who have shown courage and compassion in advocating on behalf of women and girls in the United States and around the world.

This inspiring evening brings together the most conscientious and committed individuals, corporations and issue advocates to unite their voices against this global epidemic.
“THEIR PAIN IS OUR PAIN. THEIR CALL IS OUR CALL. Women can no longer, cannot be the afterthought, the endnote, or footnote in the male story or the footprint in man’s barbarity. After 200,000 years of violence and discrimination, it must now end…Together we bind ourselves in this duty to make that true permanently.”

- ZEID RA’AD AL HUSSEIN
UNITED NATIONS HIGH COMMISSIONER FOR HUMAN RIGHTS; 2015 SOLIDARITY AWARD HONOREE
WHY THIS, WHY NOW?

EVERY DAY, THE EPIDEMIC OF GENDER-BASED VIOLENCE AFFLICTS WOMEN IN ITS MANY FORMS: DOMESTIC VIOLENCE, SEXUAL VIOLENCE, HUMAN TRAFFICKING AND HARMFUL TRADITIONAL PRACTICES.

We know that ending gender-based violence will not be achieved by women alone. Voices of Solidarity highlights the importance of men working alongside women to effectively increase public awareness, advance the full implementation of laws and sustain the support services available to victims. For more than 19 years, Vital Voices Global Partnership has collaborated with civil society, the private sector and government to end violence against women. We advocate for effective legislation to ensure the full protection of women’s rights; we provide innovative training programs for judges, prosecutors and police; and in conjunction with the U.S. Department of State, we offer emergency assistance directly to victims facing extreme acts of gender-based violence around the world.

Ending violence against women is not just a women’s issue. It’s a human rights issue, it’s an economic issue and it is the only way forward to secure a more peaceful and prosperous world for us all.
“VIOLENCE IS NEVER AN ACCEPTABLE OPTION. VIOLENCE IS A CHOICE A MAN MAKES.”

- SIR PATRICK STEWART
2014 SOLIDARITY AWARD HONOREE
The approximate cost of intimate partner violence in the United States is in excess of $8.3 billion annually.

One in three women will experience physical and/or sexual abuse by an intimate partner.

2.6 billion women and girls live in countries where marital rape is not explicitly criminalized.

Survivors of intimate partner violence are 2 times as likely to experience depression and 1.5 times more likely to acquire HIV and other STDs.

38% of all murders of women globally were reported as being committed by their intimate partners.
"VIOLENCE AGAINST WOMEN IS A STAIN ON THE MORAL CHARACTER OF SOCIETY. WE SHOULD BE ATTACKING IT WITH A PROFOUND STATE OF URGENCY."

- VICE PRESIDENT JOSEPH R. BIDEN
2014 SOLIDARITY AWARD HONOREE
For the third year, Voices of Solidarity will be held at the Frank Gehry-designed IAC building. The spectacular, multimedia walls provide a unique spotlight on the issues at hand, our Honorees and our incredible sponsors. Below are images from past events.
