Somerville House Guest WiFi

Please note: The Guest WiFi network is unable to access any internal web and application services. Somerville House Staff and students should always use the SHW network with their normal Log in details.

1. On your device go to settings and select Wi-Fi

2. Under Networks, select **SHW-Guest**

3. Once connected, a browser window will open asking for your details:

   Please enter your name and e-mail address then review and accept the terms of use.

   **Click Register**

4. Finally, you will be shown your temporary login details, Click **Log In** to complete.

5. You should now be connected and ready to browse the web!

For troubleshooting assistance please contact the servicedesk via email **servicedesk@somerville.qld.edu.au** or phone **(07) 3248 9234**
