IPWEA

INSTITUTE OF PUBLIC WORKS
ENGINEERING AUSTRALASIA

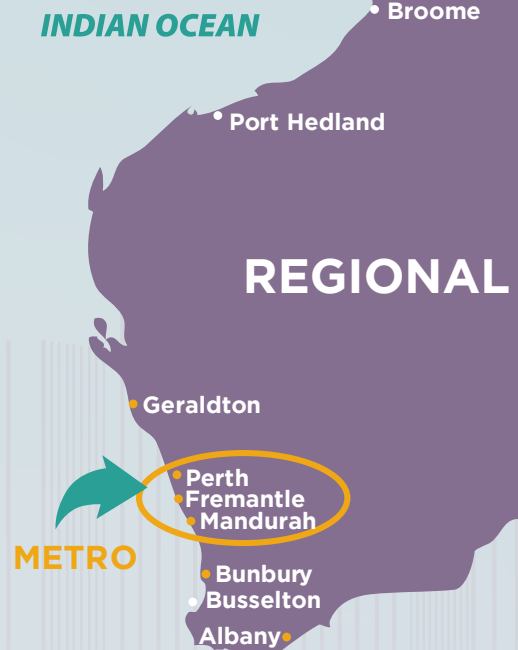

SHARED REGISTRATIONS

Available for the full Professional Development Week only

Conditions Apply*

The Institute has an “**Online Shared Registration**” for **organisations** that will allow you to livestream the sessions to all staff throughout the week (in your boardroom) if they are unable to attend on site. One nominated person & their email address must be used as the contact and login for the duration of the event. The nominated person will then be sent further instructions regarding the livestreaming.

***Conditions: Onsite registrations** are limited to a maximum of 4 people. Names must be supplied to IPWEA WA prior to the PD Week. A shared registration acts like a half or full day registration, which allows up to 4 people to attend the PD Week sessions of their choice under one ticket. **A shared registration should, basically, add up to being the equivalent of one person attending the full 5 days.** For a regional member, see map.

Student Onsite Pass: Student Members, University Students & TAFE Students are only entitled to onsite registration. A valid student card must be uploaded to proceed with your registration, and the same card must be produced each time you attend the event and sign in. If the student card is not current, or can not be produced when onsite, the organiser reserves the right to refuse entry to the event.

Cancellation Policy: Alterations or cancellations to your registration must be made in writing. An administration fee of \$100 will be charged for any participant cancelling up to Friday 30 October 2026. Cancellations received on or after Friday 30 October 2026 will not be refunded, however if you are unable to attend, a substitute is welcome to attend in your place. Substitutions to online registrations must be advised in writing 48 hours prior to the event commencing.

Please mail or email completed registration forms to:

Institute of Public Works Engineering Australasia – Western Australia Inc

PO Box 294
