

ANNUAL COUNTRY MEETING

SPONSORSHIP OFFER

Promotion is the Key to success!

As a not for profit organisation, IPWEA WA relies heavily on the support and generosity offered by sponsors to make its activities viable.

In return, sponsorship will provide your organisation with the opportunity to network with leaders of industry and local government. It offers the opportunity to reinforce brand awareness and consolidate relationships.

Associating your brand with IPWEA WA is a clever way of ensuring your organisation is acknowledged, considered to be active and kept in front of mind.

ASK YOURSELF THIS:

- Are you looking to promote your organisation?
- In a challenging market, can you afford not to be seen?
- Do you want to gain valuable exposure to drive business?

If the answer to any of the above is yes, talk to us!

REGISTRATIONS NOW OPEN!
