

# The 3rd Food Allergen Management Symposium

**FAMS**  
2019

Navigate the science, manage the risk

## **PROGRAM (as at February 2019)**

**State Library Victoria, Melbourne**

Victoria, Australia

13 – 16 May 2019

	Day 1 – Tuesday 14th May	Day 2 - Wednesday 15th May	Day 3 - Thursday 16th May
<b>Morning - first session</b>	<p><b>Session 1 - Introduction to 3<sup>rd</sup> Food Allergen Management Symposium</b></p> <p>Session Chair: <b>Caroline Gray, DuPont &amp; Allergen Bureau</b></p> <ul style="list-style-type: none"> <li>- Introduction &amp; House Keeping</li> <li>- Welcome to Country</li> <li>- Symposium Opening</li> <li>- Message from our Platinum Sponsor, <b>R-Biopharm</b></li> </ul> <ul style="list-style-type: none"> <li>- Symposium Plenary, <b>Professor Steve Taylor, Food Allergy Research &amp; Resource Program, University of Nebraska</b></li> <li>- Food allergy from the clinical view, including an Australian view, <b>Professor Katie Allen, Murdoch Children's Research Institute</b></li> <li>- Consumer perspectives in Australia &amp; New Zealand, <b>Maria Said, Allergy &amp; Anaphylaxis Australia &amp; Penny Jorgenson, Allergy New Zealand</b></li> </ul>	<p><b>Session 5 - Food Chain Allergen Management Production Quality &amp; Food Safety</b></p> <p>Session Chair: <b>Ian Haynes, Dairy Food Safety Victoria</b></p> <ul style="list-style-type: none"> <li>- Allergen Management – what we should already know and what's new, <b>Jasmine Lacis-Lee, DTS Food Assurance &amp; Allergen Bureau</b></li> <li>- Cleaning as an effective allergen control, <b>Speaker TBC</b></li> <li>- Food Fraud, <b>Adrian Rogers, Romer Labs</b></li> <li>- Managing risks – a case study, <b>Jo Price, HJ Langdon</b></li> <li>- Managing allergens from the ground up – an innovative approach, <b>Andrew Pekin, Chobani</b></li> </ul>	<p><b>Session 9 - Clinical breakthroughs / Molecular Allergology</b></p> <p>Session Chair: <b>Associate Professor N. Alice Lee, University of New South Wales</b></p> <ul style="list-style-type: none"> <li>- New treatment – Immunotherapy, <b>Professor Dianne Campbell Children's Hospital, Westmead</b></li> <li>- Food allergy prevention: Overview, <b>Dr Jenny Koplin or Professor Katie Allen, Murdoch Children's Research Institute (TBC)</b></li> <li>- Effects of Maternal and Infant diets on allergic disease development outcomes, <b>Dr Debbie Palmer, The University of Western Australia (TBC)</b></li> <li>- Effects of Food Processing on Allergenic Potential of Food Proteins, <b>Professor Clare Mills, The University of Manchester (TBC)</b></li> <li>- Newly emerging seafood allergens, <b>Dr Andreas Lopata, James Cook University (TBC)</b></li> <li>- New allergen 2 – Molecular allergology, <b>TBC</b></li> </ul>
<b>Morning - second session</b>	<p><b>Session 2 - Food Safety Policy, Global Regulation and Thresholds</b></p> <p>Session Chair: <b>Professor Steve Taylor, Food Allergy Research &amp; Resource Program, University of Nebraska</b></p> <ul style="list-style-type: none"> <li>- Keynote address: The Global View, <b>Professor Samuel Godefroy, Université Laval, Québec</b></li> <li>- Food allergen regulation in Australia &amp; New Zealand, <b>Derek Castles, Food Standards Australia New Zealand</b></li> <li>- Codex, <b>Lauren Kolstad, Food Standards Australia New Zealand</b></li> <li>- Thresholds – Definitions, Data Collection, Limitations, and Harmonisation, <b>Professor Steve Taylor, Food Allergy Research &amp; Resource Program, University of Nebraska</b></li> </ul>	<p><b>Session 6 - Food Chain Allergen Management Production Quality &amp; Food Safety</b></p> <p>Session Chair: <b>Jasmine Lacis-Lee, DTS Food Assurance &amp; Allergen Bureau</b></p> <ul style="list-style-type: none"> <li>- National Allergy Strategy, <b>Sandra Vale, National Allergy Strategy</b></li> <li>- Allergens in food service, <b>Martin Latter, AEG Ogdén</b></li> <li>- Victorian hospital anaphylaxis notifications: reducing undeclared allergens in food in the marketplace, <b>Victorian Department of Health and Human Services, Food Safety Unit (Speaker TBC)</b></li> <li>- A view from the regulatory perspective, <b>Rob Antonic, Dairy Food Safety Victoria</b></li> </ul>	<p><b>Session 10 - Looking to the Future. What's Next?</b></p> <p>Session Chair: <b>Professor Samuel Godefroy, Université Laval, Québec</b></p> <ul style="list-style-type: none"> <li>- Allergen Bureau activity update, <b>Jasmine Lacis-Lee, DTS Food Assurance &amp; Allergen Bureau</b></li> <li>- FAMS Panel Discussion 3, Where to from here, opportunities and challenges? <b>Facilitator, Professor Samuel Godefroy</b></li> </ul> <p>Conference wrap up, reflections and close, <b>Allergen Bureau</b></p>

	Day 1 – Tuesday 14th May	Day 2 - Wednesday 15th May	Day 3 - Thursday 16th May
<b>Afternoon third session</b>	<p><b>Session 3 - Translating Thresholds to Reference Doses</b></p> <p>Session Chair: <b>Professor Claire Mills, The University of Manchester</b></p> <ul style="list-style-type: none"> <li>- Modelling: From Individual Thresholds to Population Thresholds, <b>Ben Remington, Netherlands Organisation for Applied Scientific Research (TNO)</b></li> <li>- Validating Population Thresholds, <b>Jonathon Hourihane, University College Cork</b></li> <li>- Uncertainty Factors and Thresholds, <b>René Crevel, Rene Crevel Consulting (TBC)</b></li> <li>- From Population Thresholds to Reference Doses, <b>Professor Steve Taylor, Food Allergy Research &amp; Resource Program, University of Nebraska</b></li> </ul>	<p><b>Sessions 7 &amp; 8 - Allergen Detection Methodologies. Latest from the Lab &amp; Allergen Testing Special Interest Group (AT-SIG)</b></p> <p>Session Chairs: <b>James Roberts, National Measurement Institute &amp; Robin Sherlock, Sherlock Food Allergen Risk Management &amp; Allergen Bureau</b></p> <ul style="list-style-type: none"> <li>- Recalls Update, <b>Speaker TBC</b> <ul style="list-style-type: none"> <li>• Local</li> <li>• Overseas/Trading Partners</li> </ul> </li> <li>- Analytical Approaches and Ring Trials, <b>Professor Clare Mills, The University of Manchester (TBC)</b></li> <li>- Review of Suitability of Analytical Methods for Measuring VITAL® Reference Doses for EU Allergens in Foodstuffs, <b>Dr James Hindley, Food Allergy Task Force in ILSI Europe</b></li> <li>- Industry Issues, <b>Speaker TBC</b></li> </ul> <p>- Allergen Testing Special Interest Group (AT-SIG)</p> <ul style="list-style-type: none"> <li>• Designed to provide current updates that are occurring in this area</li> </ul>	<p><b>Special interactive session 1</b></p> <p>- Current and future Australian best practice in allergen labelling, Panel Discussion and Q&amp;A, <b>Centre for Food Allergy Research &amp; FAMS2019 (Main Theatre)</b></p>
<b>Afternoon fourth session</b>	<p><b>Session 4 - From Reference Doses to their practical application</b></p> <p>Session Chair: <b>Jonathon Hourihane, University College Cork</b></p> <ul style="list-style-type: none"> <li>- From VITAL 2.0 to VITAL 3.0 – An Industry Approach to use of Thresholds and Reference Doses <b>Kirsten Grinter, Nestlé Australia &amp; Allergen Bureau</b></li> <li>- Quantitative Risk Assessment, <b>Joseph Baumert, Food Allergy Research &amp; Resource Program, University of Nebraska</b></li> <li>- Consumption Estimates, <b>Ben Remington, Netherlands Organisation for Applied Scientific Research (TNO)</b></li> <li>- FAMS Panel Discussion 1, <b>Facilitator Professor Steve Taylor</b></li> </ul>		

## SPONSORS (as at February 2019)

### Platinum Sponsor

### Gold Sponsors

### Silver Sponsors

### Supporting Sponsors
