

Agenda Topics Overview

Gaylord Rockies | Denver, CO | Pre-Con: Dec. 7 | HCTC: Dec. 8–10

Get ready to experience the mile-high energy of HCTC 2026 in Denver, Colorado! Cayenta is thrilled to bring you an unparalleled learning and networking opportunity tailored to your needs.

Dive into our reimagined sessions that cater to both seasoned professionals and newcomers. Explore the possibilities with both introductory and deep-dive tracks focused on advanced training, configuration, and best practices. Plus, we're excited to collaborate with our customers and Harris partners to bring you dynamic, real-world insights.

This year's conference will feature exciting updates on CayentaOne, our new platform built to power the next generation of utility operations, and Cayla, our AI Assistant designed to help your team work smarter and serve customers better. Don't miss your chance to see these innovations up close and learn how they can transform your organization!

With over 30 unique sessions shaped by your feedback, you'll gain actionable insights, discover emerging trends, and connect with a community of like-minded professionals. True to our commitment of being built for Utilities and trusted by communities, together we'll empower your organization to reach new heights!

Don't miss out on this must-attend event. Join us for HCTC 2026 in Denver — December 8–10!
