Manage Your Privacy

Set Your Profile to Private

1 Access your profile settings. If you’d rather have control over who can see your profile, you can set it to private.

After logging in, tap the hamburger icon in the top left, then tap your name at the top of the screen.

2 Check the box. At the top of your Profile Settings, make sure that the box next to “Set Profile to Private” is checked.

Or Hide It Entirely

1 Access the Attendee List. Rather focus on the conference? Log in, open the Event Directory, and tap the Attendees icon.

2 Change your Attendee Options. Click the Silhouette icon in the top right to open Attendee Options.

Make sure the slider next to “Show Me On Attendee List” is switched off. Fellow attendees will no longer be able to find you on the list at all.
