

LOT W111 6890311

What

↑ Tuck Cover Here ↑

Name 14- & 762293 (428766)

Date Col. 1/10/14 Sped 2/11/14

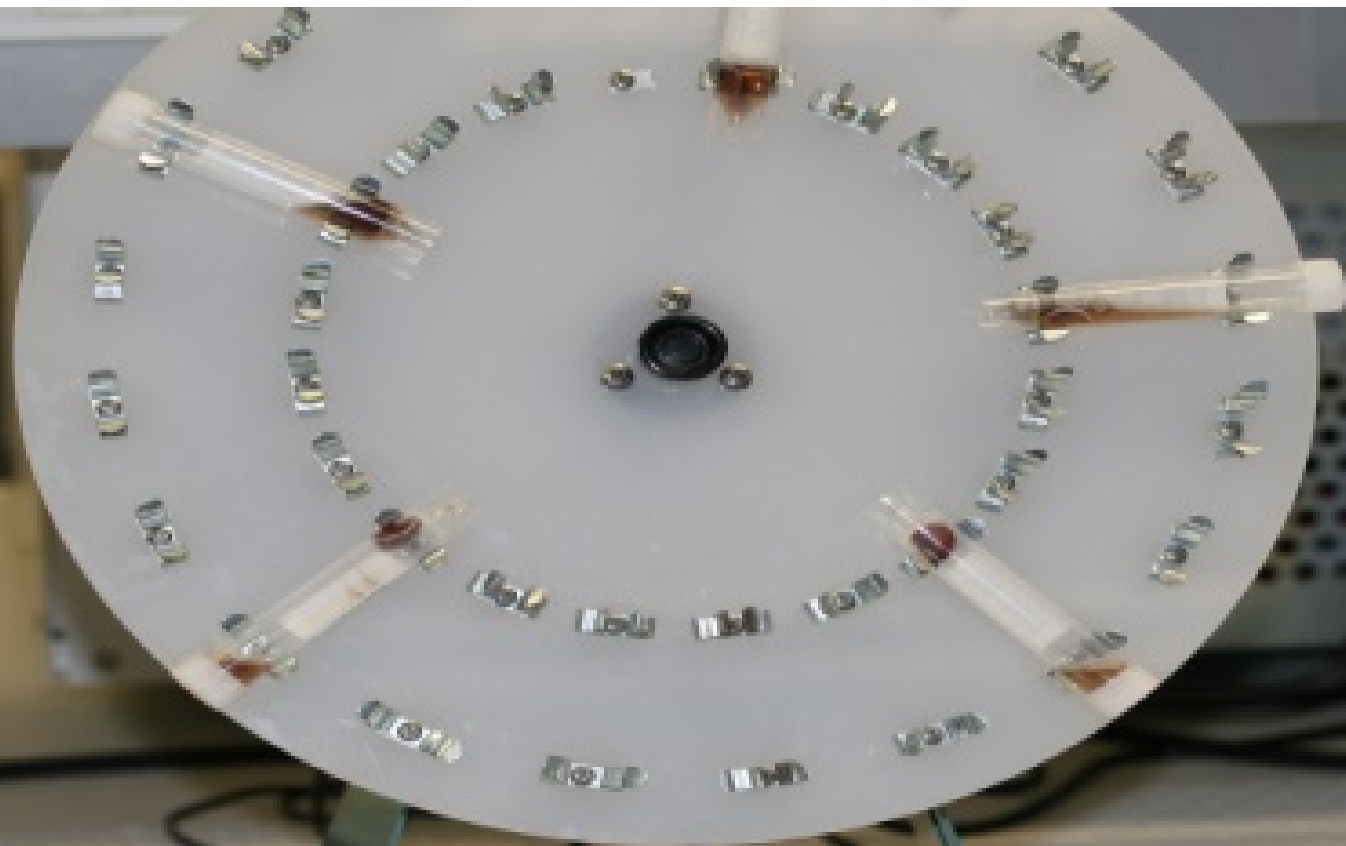

Discussion

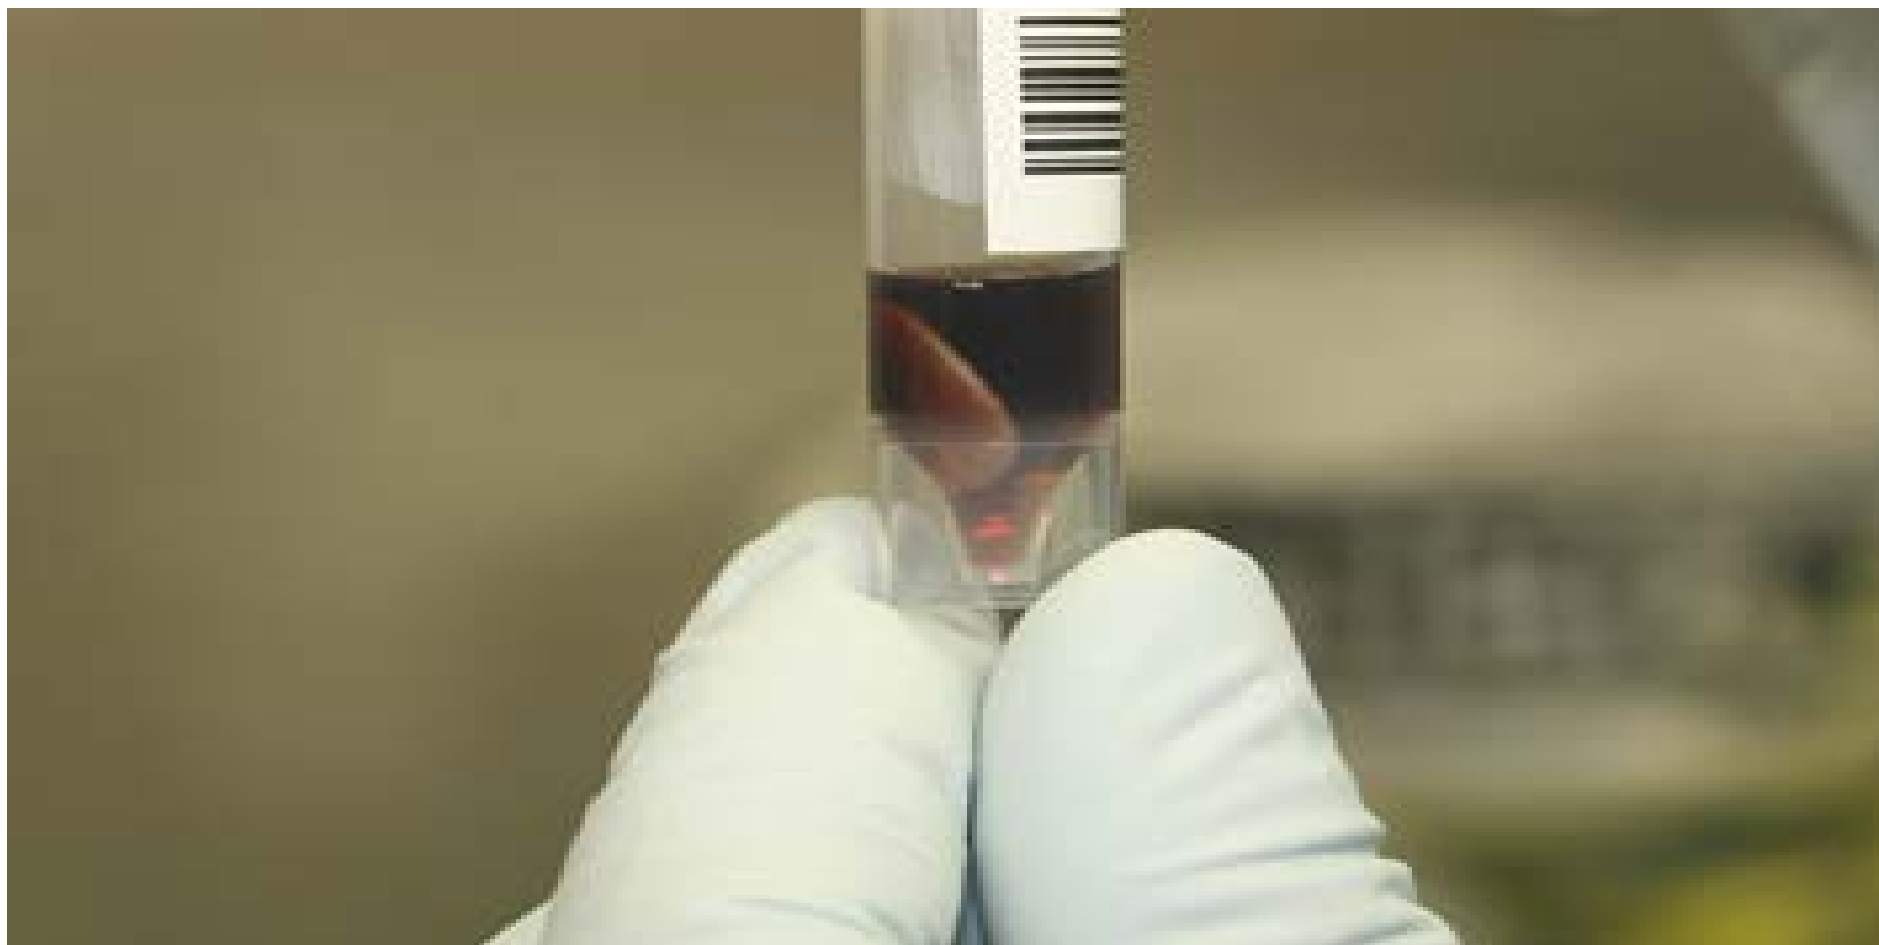

- Need for DBS applications in the developed world?
- What needs to be done to optimize tests?
- What needs to be done to obtain regulatory approval?
- Specimen collections or suitable prospective studies available?
- Next steps and the way forward.
