

Navigating the Online Agenda for the BCBS 2022 National Summit

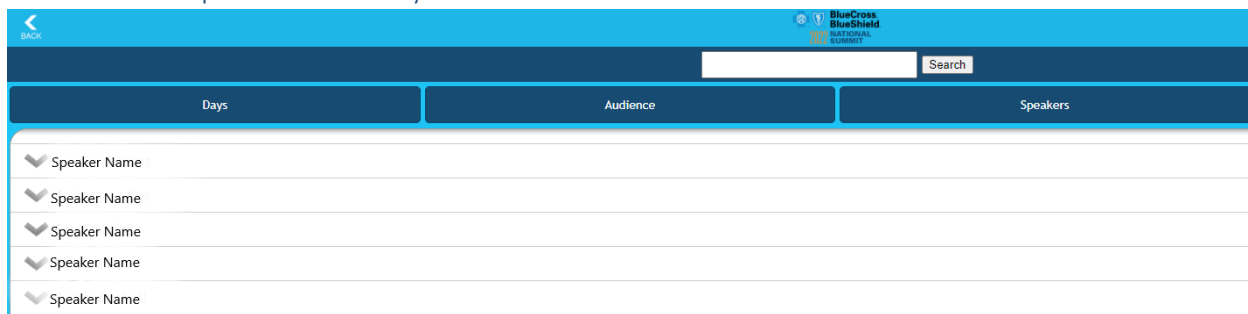

Welcome to the agenda! [Click here](#) to access the site. Here's how to find your way around:

Use the Search field for keywords, session titles, and speaker names.

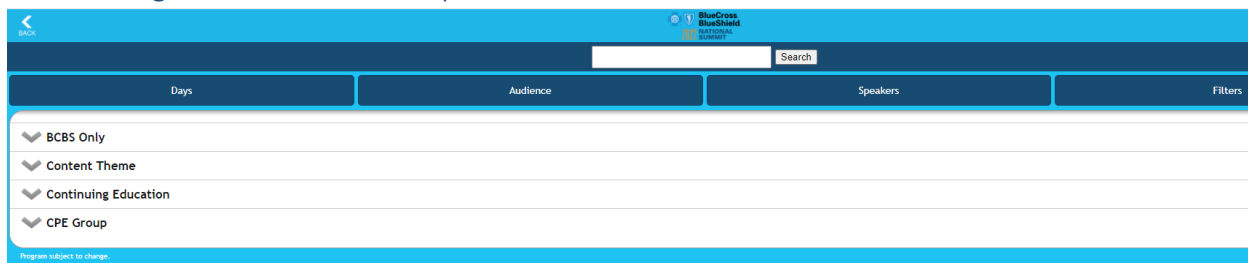

Search for sessions by day/time to find out what the daily schedule is.

Search for sessions by audience type to find sessions relevant to you!

See the list of speakers currently scheduled

Filter through sessions several ways!

BCBS Only – this indicates if sessions are for Plan attendees only or if they are available to all participants

Content Theme – this year, the Summit agenda is broken down by major content themes:

- Convenient, Seamless Experience
- Healthier Lives
- Integrated, Affordable Healthcare
- Market Leadership

Continuing Education – [Click here](#) to see the website with specific information about what types of credits are available, and then you can search sessions by that specific type:

- Continuing Legal Education (CLE)
- Continuing Medical Education (CME)
- Continuing Professional Education (CPE)

CPE Group – We know we have attendees dedicated to continuing education in the following functional areas, so use this filter to find sessions specifically for you!

- Compliance & Ethics
- Enterprise Risk Management
- Finance
- Internal Audit

Please note the schedule is subject to change.
