## A MUST ATTEND EVENT

The LexisNexis® Risk Solutions Digital Identity Summit is an exclusive, invitation-only event for thought leaders and executives spanning customer authentication, digital channels, and fraud and risk disciplines. Designed specifically for innovators, disruptors and visionaries in the identity space — **it is a must attend event.**

## WHAT TO EXPECT

- In-person networking with industry peers and colleagues
- Keynote speakers in the fraud and identity space
- Customer insights panels
- Industry insights from leading analysts
- Technical sessions, demos and deployment reviews
- Social events with live entertainment

## INNOVATE. IDENTIFY. AUTHENTICATE.

The theme for the 13th annual Digital Identity Summit is Innovate. Identify. Authenticate. In this digital first economy, identity authentication is central to solving fraud and cyber threat challenges. Establishing and maintaining trust in a consumer's genuine identity is essential for all transactions and organizations. The 2022 Digital Identity Summit will focus on how today's digital transformation leaders can outsmart fraud and build stronger customer relationships through innovation, identification, and authentication.

**Join the digital identity revolution.**

## KEYNOTE SPEAKER

**Dakota Gruener**  
Executive Director
