- Interacting with the CEN community of CIOs, CTOs, IT Directors, Municipal Leaders, and Superintendents
- Company and logo advertising on promotional material

MEMBERSHIP BY VERTICAL

The following pie charts depict the CEN membership for each vertical (service sector) as a percentage of total entities in Connecticut.

WHAT OUR COMMUNITY HAS TO SAY

CEN "What did you enjoy the most about the event?"

"The one-on-one face time with sponsors is most valuable for me... I never feel like I'm being put on the spot to make a purchase after a booth conversation as opposed to a phone call or video meeting."
- Director of Infrastructure & Security Technology, RSD 13

"Vendors as always. Great selection and great people!"
- Ridgefield Library
