

Supervisor Liability for Law Enforcement

Live-Stream Interactive Course

August 20, 2024 | 8:00am - 4:00pm, Central

A promotion to a supervisory position is an invitation to enter the world of risk management. Far too many supervisors are learning about these challenges through the process of trial and error - at great expense to themselves, their agencies, the people they lead, and the public that they serve. It is vital to agency operations that supervisors are continuously considering the ramifications of their leadership decisions in the context of liability and risk management.

- **The 3 most important questions in supervisor liability: What did you know? When did you know it? What did you do?**
- "Inspect what you expect" - taking on the role of early detection and intervention
- Internal Affairs operations as an agency-wide undertaking
- Making legally and ethically defensible hiring decisions

Attorney Matt Dolan

Dolan Consulting Group

Matt Dolan is a licensed attorney in the State of Illinois who specializes in training and advising public safety agencies in matters of personnel management liability. A member of a law enforcement family dating back three generations, he has trained and advised thousands of public safety professionals throughout the United States in matters of legal liability.
