Supervisor Liability for Law Enforcement

December 15, 2026 • Mocksville, North Carolina

A promotion to a supervisory position is an invitation to enter the world of risk management. Far too many supervisors are learning about these challenges through the process of trial and error - at great expense to themselves, their agencies, the people they lead, and the public that they serve. **It is vital to agency operations that supervisors are continuously considering the ramifications of their leadership decisions in the context of liability and risk management.**

- ▶ **The 3 most important questions in supervisor liability: What should you know? When should you know it? What should you do?**
- ▶ "Inspect what you expect" - taking on the role of early detection and intervention
- ▶ Internal Affairs operations as an agency-wide undertaking
- ▶ Performance evaluations - are they helping or hurting us?
- ▶ *Catching your people doing something right* as a supervisor
- ▶ Making legally and ethically defensible hiring decisions
