Funky Feathers and Fills

Christa Watson

All Levels

Saturday, 8:30 am - 11:30 am

Room: 102C

**#17S8503 - Quilting/Finishing-
DOMESTIC MACHINE**

In this workshop, students will first learn several basic feather plume shapes, then build upon those shapes to create entirely new designs. They'll explore a variety of options to change things up, along with several fills that will complement their designs. Bonus tips will be shared showing how to apply what they've stitched to an actual quilt.
