

Star Cluster: One Block Wonder

Barbara Cline

Beginner, Intermediate

Friday, 1:00 pm - 4:00 pm

Room: 101C

#17F7507 - Piecing

Learn how to build from this One Block Wonder to create many quilts. It features interlocking star patterns, each formed from a single triangle block, creating designs that appear far more complex than the construction behind them. There are no inset seams, which seems almost unbelievable when looking at this quilt. This table runner project will give you the confidence to piece many quilts using this simple block—opening the door to designs with strips, diamonds, circles, cubes, and chevron patterns.
