**#17T6506- Hand Embroidery &
Embellishment**

Create a one-of-a-kind Aster & Anne Zipper Purse while exploring a variety of appliqué and embellishment techniques. Begin by stenciling the felt background before adding hexagons using Aster & Anne and WonderFil's new Hexagon Appliqué Templates. Along the way, you'll learn how to fussily cut your favorite fabric motifs, create beautifully turned-under fabric edges, and work with felted wool appliqué. We'll then add simple embroidery stitches to the felted wool hexagons, introducing another layer of color, texture, and detail. This technique-filled workshop is all about experimenting with different materials and methods while discovering just how versatile a simple hexagon can be. You'll leave with new skills, plenty of inspiration and a beautifully embellished Zipper Purse that is uniquely yours.
