#17F4502 - Fiber Art

Learn machine-made texture techniques that will enhance your next quilt! In this workshop, Cheryl will teach you about pleating, stuffing, pintucks, and lots of other fabric manipulations. Then Cheryl will show you how to put it into a block in your next quilt. Whether you are a traditional, contemporary, art, or modern quilter, you can add a cutting-edge (yet classic) look to your next project. Great for beginners and experienced sewists.
