at your side

In this workshop, eight techniques will be covered and applied to a beautiful panel. You will learn step-by-step basic instructions for freemotion quilting, Dimensional Thread Painting, trapunto, application of multiple overlays, various 3D layering, bobbin work, blocking and squaring a quilt, and, of course, applying crystals! More importantly, you will not only learn the proper steps for creating these numerous techniques, but also why and when to use them on a quilt! You will see the effects of various techniques and supplies, and how they can create added interest of texture and dimension to a piece of art!

Registration for this workshop includes show admission for Thursday.

joyhughes1@verizon.net

Member: \$112 Retail: \$140
(Plus Kit Fee.)

Required Kit Includes: Panel, 4 Stabilizing materials, Heat-N-Bond Lite, Multiply Overlays, PolyStuffing, and 4 fabrics prepped for 3D elements and 18 threads for top and bobbins.
