Please join us at this comprehensive workshop designed to help your community become Rural Strong

This workshop is designed to inform entrepreneurs, small business owners and stakeholders - including government and community organizations - about all of the federal services and programs, including lending products and resources powered by the SBA, that are available in your area from the SBA and USDA’s Rural Development Agency. Region 7 Regional Administrator Tom Salisbury will attend as his schedule allows. Learn about new SBA rural loan fee reductions and other SBA incentives. Presentations also by the Small Business Development Center and the Procurement Technical Assistance Center on specific programs available in the region. Power Up your rural community!
