

# Business Plan Basics

This workshop is for current and future business owners and entrepreneurs who have little or no knowledge of writing a business plan and want to learn about using the planning process as a foundational management tool. During this session, participants will learn the importance of business plans, the key required elements of a basic plan and data that must be included.

## COURSE OBJECTIVES

After completing this class, participants will be able to:

- Understand the importance of business planning
- Understand the key components of a business plan
- Identify additional resources to assist in learning how to write a business plan
