**Subject:** Keeping Floridians Informed About Coronavirus

## Keeping Floridians Informed About Coronavirus

### HELPFUL RESOURCES

Now more than ever, it is imperative that all levels of government – federal, state and local – be transparent and provide as much information as possible to Americans so they can keep themselves and their families safe.

Please see the below resources for the latest information on how you can keep yourself and your family safe and healthy.

#### Centers for Disease Control and Prevention Resources

- I encourage you to visit the [CDC's website](#) to see the latest guidance regarding coronavirus
- Please call the [CDC-INFO Call Center](#) for urgent issues related to coronavirus
- **The Call Center is available 24/7**
- Phone: 800-232-4636
- [Frequently Asked Questions](#)

#### Florida Department of Health Resources

- For Florida-specific information, please visit the [FDOH's website](#)
- FDOH has activated a COVID-19 Call Center
- **The Call Center is available 24/7**
- Phone: 1 (866) 779-6121
- Email: [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov)
- [Frequently Asked Questions](#)

- To find your local county health department, click [HERE](#)

### **U.S. Department of State Resources**

- For up-to-date travel advisories, click [HERE](#)

### **U.S. Department of Veterans Affairs**

- If you are a veteran and believe you have symptoms of coronavirus, please contact the [VISN 8 Clinical Contact Center](#)
- Phone: 1-877-741-3400
- **The Call Center is available 24/7**

### **Office of Senator Rick Scott Resources**

- If you need assistance with a federal agency, click [HERE](#)

### **What should I do if I think I (or someone in my family) might have coronavirus?**

- Contact your [county health department](#)
- Consult a healthcare provider as soon as possible
- Call ahead and tell them before you visit that you think you may have coronavirus so they can take precautions to prevent exposing other people

***Reminder: Always wash your hands with soap and water.  
Cover your coughs and sneezes with your arm, not your hands.  
If you're sick, stay at home and avoid crowds.***
