

# Cookie policy

A cookie is a small piece of information sent by a web server to a web browser, which enables the server to recognise visitors. Cookies are widely used in order to make websites work, or work more efficiently, as well as to provide website owners with information about the use of their website.

To find out more about cookies and how you can control the cookie settings in your browser, visit [http://en.wikipedia.org/wiki/HTTP\\_cookie](http://en.wikipedia.org/wiki/HTTP_cookie).

## Our cookies

Cookie name	Purpose
AspxAutoDetectCookieSupport	Detects whether the browser has cookies enabled. Deleted at the end of each session.
GBP.Cookie.Language.Name	Remembers the language selected.
surveyid	Indicates whether a user has used a survey form.
