- Closest regional airport is Hannover (1 to 1.5 h by car or by train to Wolfsburg)
- You might find better connections to & from Berlin (2 to 2.5h by car or by ICE train to Wolfsburg)
- Notice that there will be short-term announced restrictions of civil air traffic over Germany during our workshop week due to NATO manoeuvres.
- Avoiding the emissions and risk of delays of a short-haul connecting flight, you may consider ICE express train connections from international airports in Frankfurt (4 to 4.5 h) or Düsseldorf (3 to 3.5 h).
