Secure authentication for event registrants

How to register for Intel events

How to register for an event for Non-Intel Employee

1. Click the register button

REGISTER

Login with your existing Intel username & password or fill out a short form to create an account.

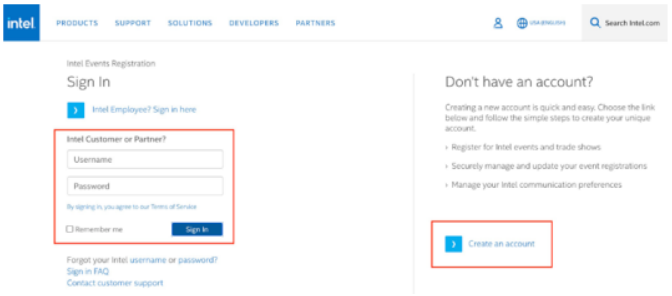

- You will have easier control over your data and activities with Intel in one centralized place, 'My Intel'.
- My Intel = one login for:
- Events
- Subscriptions (opt-in/opt-out of marketing communications)
- Intel Customer Support, Community Forums, and Intel Partner Programs

Help and Support

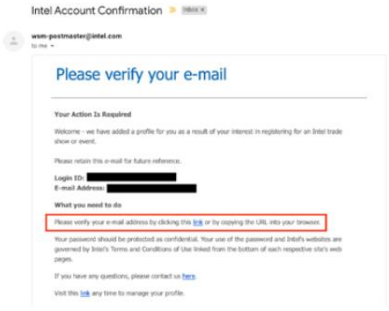

Reference the enterprise Sign In FAQs or contact sign-in support for help:

- Support by support page
- Support by chat
- Support by phone

2. Login with your existing Intel account, or create a new account:

3. If you are creating a new account, you will receive an email to verify your email address, click the link in the email to complete the verification process within 5 days of receiving:

4. Once authenticated with your new username and password, continue to fill out the event-specific registration form to complete your registration:
