

MMBB Re:Think Re:Invest Financial Conference COVID-19 Policy

Pre-event

All participants must be “fully vaccinated” to attend any of MMBB’s in-person gatherings. To be considered “fully vaccinated,” one must have received two doses of either the Pfizer-BioNTech or Moderna COVID-19 vaccine or one dose of the Janssen/Johnson & Johnson vaccine. All participants are required to complete a COVID-19 Release of Liability and Assumption Form.

Official documentation of vaccination status is required and must include:

1. The type of vaccine administered
2. The date(s) of administration
3. The name of the health care professional or clinic site administering the vaccine.

Please provide your vaccination documentation and complete your COVID-19 Release of Liability and Assumption Form by clicking this [COVID-19 Health Protocol link](#) or the same link at the end of the conference registration process. Your documentation will be collected and verified by Accushield, LLC, an official HIPAA Compliant event health screening provider.

On-site

All participants are required to wear a mask when the program is in session for the duration of the event with the exception of scheduled group meals. MMBB will provide masks if you do not have your own.
