YOURS COMMUNITIES

Morston Assets are developing the *Yours Communities* brand in key locations including King's Lynn, Edinburgh, Glasgow and Stoke on Trent.

Yours Communities provides convenient, flexible and affordable workspace close to housing thereby benefitting the work-lifestyle balance. The initiative supports a strong neighbourhood, providing fresh opportunities and promoting social mobility.

This is achieved by blending advanced communication technology with a strong 'good neighbours' policy, therefore allowing remote connectivity between businesses, the workplace, markets and homes, as well as with health, education and training partners.

The business hub of the *Yours Communities* initiative is provided by *Yours Business Networks*.
