

F1® ARCADE

PRIVATE EVENTS LIKE NO OTHER

F1® Arcade takes the full-throttle drama of F1® racing and drops it right into a high quality, high-energy, high-design hospitality setting. Next-level racing simulators. Incredible menus. Great service. Big vibes for big groups.

This isn't just about driving fast, it's about bringing people together. Racing in turns, the eating, drinking and socializing all happens in the same space with racing simulators sitting right at the heart of the action.

No need to be an F1® lover or a seasoned gamer. Five skill levels. No pressure. Start safe, level up, have a blast. Race like a pro, even if you're on rookie mode. (We won't tell).
