Built in 1910 as a Baptist church, the Tabernacle has been revived as a completely unique event venue. Deep, wrap-around balconies offer a perfect view of the early 20th Century architecture. The initial spirit shines through with hand-painted details throughout, including the original grand pipe-organ and the breathtaking crystal chandelier that adorned the Lowes Grand Theatre during the Gone with the Wind premiere in 1939. The Tabernacle is capable of hosting events from 50 to 2,500 guests. Out network of quiet, comfortable lounges and VIP rooms are perfect for private conversations or smaller receptions. Our talented staff offers creative consultation, full event production, and access to various entertainment and design resources. Our events create memories, retold to friends, clients, and colleagues alike for years to come. We are equipped with 20 full-service bars, professional staff and gourmet catering partners. Our state-of-the-art Sound and Lighting equiment are operated by the most experienced technicians in the entertainment industry. Your event's branding opportunities include: multimedia plasma and projector screens, gobos, and light boxes positioned throughout the building and our lit marquee outside. Create your Special Event at the Tabernacle and put your guests in the Spot Light.
