Gather and take in all the city has to offer; Arthouse's premier location makes it possible to enjoy the familiar residential feel of the Upper West Side and Central Park, without ever being too far from the city's most dynamic destinations. Our newly renovated suites offer balconies with exceptional views of the Upper West Side and Hudson River.

Additionally, three stellar restaurants represent a cross section of New York's diverse dining scene: **Arthouse Bar** offers a variety of craft cocktails, **Serafina**—Italian comfort food, and **RedFarm**—inventive Chinese fare. Guests also enjoy creative arts programming, including live music weekly, plus 24-hour access to our Fitness Center.
