Dear Local Business Owner,

The Oncology Nursing Society Hawaii Chapter is requesting the assistance of community businesses and corporations for its upcoming fundraiser.

We are a proud group of about 200 nurses in Hawaii who specialize in the care of persons with cancer in clinical settings such as hospitals, outpatient care clinics, home care and hospice. Our Chapter holds monthly educational meetings which updates knowledge about chemotherapy, immunotherapy, pain management, as well as how to support cancer patients and their families.

We are requesting area businesses to donate any goods or services they deem appropriate. Our Silent Auction is scheduled for Friday, August 21, 2026, in conjunction with our Annual Oncology Nursing Society Conference. All proceeds will go toward scholarships for the education of oncology nurses to improve their expertise in this highly specialized field.

The Oncology Nursing Society Hawaii Chapter is a 501(c)(6) non-profit organization. Contributions or gifts to the Oncology Nursing Society are NOT deductible as charitable contributions for federal income tax purposes.

We sincerely appreciate any help you may be able to give us and would like to thank you in advance. Please send your response to:
