

# MEDICAL Education

## WEBINAR SERIES

### Your source for dialysis education

Our comprehensive Medical Education programs are delivered by experts in their fields and cover a variety of product training and disease-state education topics related to dialysis and critical care. Presented by the Global Medical Information & Education Group from the Fresenius Medical Care Global Medical Office.

### Disease State Presentations

- A Practical Approach to Sodium Management in Dialysis Patients
- **SPOTLIGHT:** AKI - Epidemiology, Indications for KRT, Early vs Late, CKRT vs IHD
- Peritoneal Dialysis (PD) Essentials
- Anemia Management in CKD
- Use & Application of Hemodiafiltration (HDF)
- Diabetes Mellitus Treatment in Hemodialysis Patients
- **SPOTLIGHT:** Anticoagulation in CKRT - Why is Citrate Preferred over Heparin
- The Kidneys in Health and Disease
- **SPOTLIGHT:** Incremental PD
- Building Foundations: Training & Setup for Personalized Home Dialysis
- HHD Part 3: Patient Eligibility, Shared Decision-Making, and Training Fundamentals
- **SPOTLIGHT:** CKRT for the Treatment of AKI - Practical Considerations
- Clinical & Surgical Management of Non-Infectious Complications in PD
- PD: Is it Time to Reconsider the Role of CAPD?

### Product Training Presentations

- Relative Blood Volume Monitoring for ESKD Management

#### **SPOTLIGHT: AKI - Epidemiology, Indications for KRT, Early vs Late, CKRT vs IHD**

**Presented by Dr. David Thompson**  
Fresenius Medical Care

#### **SPOTLIGHT: Anticoagulation in CKRT - Why is Citrate Preferred over Heparin**

**Presented by Dixie-Ann Sawin, MSc, PhD**  
Fresenius Medical Care

#### **SPOTLIGHT: Incremental PD**

**Presented by Anjali Saxena, MD**  
Santa Clara Valley Medical Center, Clinical Professor of Medicine at Stanford University

#### **SPOTLIGHT: CKRT for the Treatment of AKI - Practical Considerations**

**Presented by Dr. Robert Pohlmeier**  
Fresenius Medical Care

Continuing Education Contact Hours

CE contact hours available for each webinar are noted in the schedule. Pre-registration and completion of a post-presentation survey are required to receive CE contact hours. For additional information and to register, visit our website: [Education.FreseniusMedicalCare.com](#)

Registering for and joining webinars

1. Go to the website: [Education.FreseniusMedicalCare.com](#)

2. Create an account or log in if account is already created.

3. Select upcoming webinars from the menu bar, choose a course you wish to attend, and click **Register**.

4. Fill out the registration form and click **Register Now**. Be sure to include your license number and state for your CE Certificate, if applicable.

5. You will receive an email confirmation with a personal link to the webinar. You can also add the webinar to your calendar with the attached invitation.

6. Follow the **Join URL** link in the course registration email or calendar invite.

Course descriptions, speaker information, and answers to FAQs are available at: [Education.FreseniusMedicalCare.com](#)

If you have any questions or concerns, please contact the Global Medical Information and Education Office: [medical.information@freseniusmedicalcare.com](mailto:medical.information@freseniusmedicalcare.com) | 855-616-2309
