FACULTY:

See the faculty in the disclosure section.

INSTRUCTIONS FOR LEARNING

This live activity features expert-led presentations, keynote sessions, interactive panels, workshops, and peer discussions focused on leadership development, professional advancement, workplace culture, advocacy, and systems change in medicine and healthcare. Through evidence-based content and practical examples, learners will strengthen their ability to navigate professional barriers, develop leadership skills, build effective networks, and contribute to more sustainable and equitable healthcare environments. Content is delivered through keynote presentations, expert panels, interactive workshops, small-group discussions, and practical skill-building sessions. The live, interactive format allows participants to engage directly with faculty and peers, reflect on their professional experiences, practice relevant skills, and develop strategies they can implement in their clinical, academic, administrative, or organizational settings. To claim continuing education credit, participants must complete the educational activity and the post-activity evaluation. Throughout the activity, learners will strengthen their ability to apply practical leadership, communication, advocacy, and systems-level strategies to support professional growth and positive change in healthcare.

STATEMENT OF NEED

Women in medicine and healthcare continue to experience barriers related to leadership advancement, compensation equity, professional visibility, sponsorship, workplace inclusion, and career sustainability. Although women represent an increasing proportion of the healthcare workforce and academic medicine pipeline, they remain underrepresented in senior leadership positions. Persistent differences in burnout, harassment, discrimination, promotion opportunities, and access to sponsorship further demonstrate the need for education that supports both individual professional development and broader organizational change. Observable practice gaps include limited formal training in leadership, negotiation, advocacy, effective communication, mentorship and sponsorship, and strategies for navigating gender-based and structural barriers within healthcare environments. Healthcare professionals may also lack practical tools to translate their contributions into measurable professional advancement, develop effective professional networks, advocate for resources and opportunities, and implement meaningful changes within their organizations. These gaps have implications for professional retention, leadership representation, workplace culture, workforce

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

sustainability, and ultimately the quality of healthcare delivery. Learner feedback and requests from prior Women in Medicine Summit™ attendees further support the need for practical education addressing leadership development, career strategy, negotiation, sponsorship, institutional change, advocacy, and navigating bias.

LEARNING OBJECTIVES

After participating in this activity, learners will be able to:

1. Identify common individual, organizational, and structural barriers that may affect professional advancement, leadership opportunities, and career sustainability in healthcare.
2. Apply evidence-informed leadership and communication strategies to lead teams, navigate challenging professional situations, and communicate with greater influence.
3. Develop practical approaches to negotiation, advocacy, mentorship, and sponsorship to support career advancement and professional development.
4. Implement strategies to address workplace bias, improve professional culture, and contribute to more inclusive and sustainable healthcare environments.
5. Apply current evidence in midlife and cardiovascular women's health, including menopause-related symptoms, sexual health, and cardiovascular risk assessment, to the care of women across the lifespan.

TARGET AUDIENCE

This activity is designed for Physicians, Nurses, Advanced Practice Providers, Pharmacists, Scientists, Healthcare Executives, Administrators, Educators, Researchers, Students, and other healthcare professionals interested in leadership, professional development, workplace culture, and systems change in healthcare.

It is particularly relevant for women in medicine and healthcare across all career stages and specialties, as well as healthcare professionals and allies seeking to strengthen leadership skills, advance professionally, develop mentorship and sponsorship relationships, navigate workplace and organizational barriers, and contribute to more equitable, inclusive, and sustainable healthcare environments.

Unlabeled Use Disclosure

Faculty of this CME/CE activity may include discussions of products or devices that are not currently labeled for use by the FDA. The faculty have been informed of their responsibility to disclose to the audience if they will be discussing off-label or investigational uses (any uses not approved by the FDA) of products or devices. Pinnacle Conference, LLC, the faculty, planners, and Women in Medicine do not endorse the use of any product outside of the FDA-labeled indications. Medical professionals should not utilize the procedures, products, or diagnosis techniques discussed during this activity without evaluation of their patient for contraindications or dangers of use.

CREDIT INFORMATION

Jointly Accredited Provider

In support of improving patient care, this activity has been planned and implemented by Women in Medicine and Pinnacle Conference, LLC. Pinnacle Conference, LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Physicians - ACCME

Pinnacle Conference, LLC, designates this Live activity for a maximum of 15 *AMA PRA Category 1 credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Note to Nurse Practitioners: Nurse practitioners can apply for *AMA PRA Category 1 credits™* through the American Academy of Nurse Practitioners (AANP). AANP will accept *AMA PRA Category 1 credit™* from Jointly Accredited Organizations. Nurse practitioners can also apply for credit through their state boards.

Nurses - ANCC

This activity is designated for 15 contact hours.

Pharmacists - ACPE

To receive CPE credit through CPE Monitor, please ensure you have provided your NABP ePID number and DOB appropriately. If you are unsure or would like to confirm, please contact ce@learnatpinnacle.com within 60 days of completing the activity.

Physicians Assistants - AAPA

Pinnacle Conference, LLC has been authorized by the American Academy of Physician Associates (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 15 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

Athletic Trainers - BOC

Pinnacle Conference, LLC (BOC AP#: JA4008385) is approved by the Board of Certification, Inc. to provide continuing education to Athletic Trainers (ATs). This program is eligible for a maximum of (15) Category A hours/CEUs. ATs should claim only those hours actually spent in the educational program.

Social Workers - ASWB

As a Jointly Accredited Organization, Pinnacle Conference, LLC is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program.

Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 15 General continuing education credits.

JOINT ACCREDITATION™
INTERPROFESSIONAL CONTINUING EDUCATION

Dentists - ADA-CERP CME

Pinnacle Conference, LLC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to

the Commission for Continuing Education Provider Recognition at ADA.org/CERP. Pinnacle Conference, LLC designates this activity for 15 hours continuing education credits. Concerns or complaints about a CE provider may be directed to the provider, or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
